Distech Controls UK
Suite 4, The Gardens,
Coleshill Manor Office Campus,
South Dr,
Coleshill,
Birmingham B46 1DL

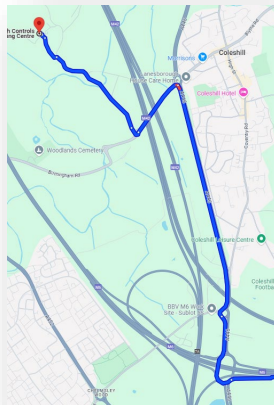

Arriving by Road

Distech Controls UK offices and training centre can be found on Google Maps here:

<https://maps.app.goo.gl/EUgfYi51UvBnrwzF9>

The building is in the grounds of Coleshill Manor, based to the east of Birmingham just off the A446; which can be accessed via Junction 4 of the M6 if approaching from the South:

If arriving from the North, you will be taking Junction 9 of the M42 to lead you to the A446:

You will be looking for the B114 Birmingham Road to take you over the M42 and then a right at the next roundabout where Coleshill Manor Office Campus will be signposted.

Eventually you will come to the entrance to the grounds:

Follow Coleshill Manor Road until you reach the security barrier, where you will press the intercom for Distech Controls to gain access. If we have had your vehicle registration in advance of the session, the ANPR may allow you to pass.

Please park in the designated parking spaces for Distech Controls:

Arrival by Air/Train/Public Transport

Whether arriving by air or train, it is quite similar from where you arrive.

Birmingham Airport (BHX) is our most local. This is served by Air France, Ryanair, Jet2, Aer Lingus and Easyjet Europe.

Birmingham International is the closest mainline train station to us.

This is operated by Avanti West Coast and brings you into the hotels and amenities that serve Birmingham Airport and the NEC.

From there it is advisable to take a Taxi to the training centre, as the bus service from Birmingham International (the X12 Platinum) only takes you into Coleshill Town which is a 30+ minute walk to us.

There may well be a good chance that others on your course will be staying in the hotels around the Airport/NEC and we promote car-pooling as much as possible!

Arriving at the Office

Once you have arrived at the Coleshill Manor Campus, walk through the archway to The Gardens and Distech Controls will be to your left.
